Read what our Abbey Couples have to say about their Wedding Day

We had our wedding reception in the Abbey Hotel on the 7th of December 2019. The level of professionalism and service we received right from our initial show around was exceptional. Nothing was too much trouble! The food was fantastic and cooked to perfection, right down to the temperature of the fillet of beef. All guests we have spoken to have remarked on it. The day from start to finish was absolutely fabulous. The wedding coordinators were brilliant and very responsive with emails and calls. Sarah was wonderful on the day and had everything running like clockwork, no detail was overlooked. We could not have been more thrilled with how our day went and would highly recommend the Abbey Hotel for any future couple looking to book their wedding reception. - Leona Barry

It's hard to describe how easy and enjoyable it was to deal with the Abbey. We got married there on Saturday 30th November 2019. I booked the wedding after meeting Geraldine back in April or May. She was so helpful, kind and had a great idea of what we were looking for. The process from start to finish was so easy. Sarah the wedding coordinator was a dream. So friendly, understanding and helpful. She was an absolute pleasure to deal with. When we walked into the room on Saturday it was breathtaking. It couldn't have been better and bar a few seating problems due to some extra guests, it went off without a hitch. The food was beautiful and everybody had enough. The staff have been so friendly and kind it was just a pleasure to be there. I would do it all over again without a second thought. Thanks guys for your outstanding service and human kindness it has made this sometimes stressful process much easier. - Edel & Kevin

From the moment we booked our wedding with the Abbey Hotel we didn't have any concerns as everything from then on was arranged so seamlessly and efficiently. Lisa our Wedding Co-ordinator was absolutely professional at all times. All of our requests and requirements were met without hesitation and most importantly with enthusiasm. The quality of the food, the surroundings and the service were exceptional on the day. We couldn't fault the hotel in any way and would highly recommend it to future couples considering it as a wedding reception destination". - David & Iseult

Where shall I start... The Abbey Hotel is amazing, our wedding was magical. I stayed in the hotel for 3 nights prior to the wedding and I was so well looked after, the staff were fantastic and very welcoming. The morning of our wedding was what I can only describe as perfect, so relaxed and once again there was lots of fun and laughter with staff and the Grealy family. We had a lot of guests arriving from Dublin, Meath and the USA and they were all made feel so welcome, each guest received top quality service. Our wedding reception was what every girl dreams of, the food was exquisite and the layout was 5 Star. Grounds are stunning, such a treat for photographers! From start to finish it was professional and the wedding coordinator was brilliant, we can't thank her enough. It was without doubt the best day we have ever had and it's all down to the hotel staff and the Grealy family, fantastic people. We will be forever grateful. Magical memories from The Abbey Hotel." -Lorna

Thank you so much for giving us the most fantastic day on 6th April 2019. From the moment we had the pleasure of meeting you, you accommodated us in every way. Nothing was too much trouble and our every request was catered for. The attention to detail was second to none, from the drinks reception to table settings and beyond. We had a lot of props that required a lot of set up on the day and Geraldine and her staff listened carefully to what we wanted and set up and displayed everything exactly as we wished. We also have to commend in a special way the Chef, the kitchen personnel and the staff involved in our dinner service. We have received so many compliments from our guests about the food served on the day. The presentation and attention to detail with every dish was amazing. Furthermore, the service received from every staff member was impeccable and truly faultless. We cannot recommend The Abbey highly enough. Its staff instills confidence. They are a pleasure to deal with and are so skilled at what they do. Geraldine even emailed us some candid photographs she had taken of us on the day – just like a friend or a family member would do! That personal touch provided by The Abbey is in our opinion why it is so special. We enjoyed every moment of our day and we cannot thank Geraldine and her team enough for making our dream day a reality. We are already looking forward to returning to The Abbey and to meeting everyone again. - Sarah & Ciarán

Planning a wedding from Canada when you want to get married at home in Ireland is not an easy task. Or so I thought before I started doing it! But I was wrong… and this is only because of the amazing wedding co-ordinators and staff at The Abbey Hotel. From the minute we stepped foot inside The Abbey, we knew this is where we wanted to have our wedding. After our initial meeting, everything was through email as we had to go back to Canada. Julie and Sarah always stayed in contact with us and made us feel at ease. We organised EVERYTHING while having the Atlantic Ocean between us – decor, menus, function rooms, times! We even organised the booking of rooms for all of our Canadians guests that were travelling over to be with us on our big day! Not for one moment did I feel worried about this as the girls and booking team were second to none! The Abbey allowed us to do our menu and wine tasting just one week before the wedding! Special treatments like this meant the world to us as we were not able to make it over to Ireland any earlier.

On our big day things worked like clock work. Sarah and the team were with us every step of the way and made everything run smoothly. If you have ever dined in The Abbey, you know the food is excellent. It lived up to its reputation on our wedding day also! The charm and the beauty of The Abbey created such a gorgeous backdrop for our pictures (and for the out-of-towners that wanted to bring some beautiful Irish pictures back to Canada!). After our reception, we were left in the capable, friendly and fun hands of the three young bar staff that served us into the early hours of the morning. They ensured the two brides and all of our guests were well looked after! On behalf of my wife and I, we would like to thank everyone in The Abbey Hotel for ensuring our wedding day was the most memorable day in our lives so far. We cannot wait to book in for our anniversary so we can enjoy it again and again!

- Roseanne and Josée

We couldn't recommend the Abbey Hotel highly enough. We got married on Friday, January 3rd so it's still only sinking in but we had an absolutely fabulous day. From initial discussions with Geraldine right through to the big day every aspect of the organising was made so simple and stress free. The run up to the day was made so much easier due to the reassurances from Geraldine along with the wedding coordinators Lisa & Sara and the accommodation of our every need. It was a lovely and relaxed day, which is just what we had hoped for. Everybody was singing the praises of the food especially those who had special requirements... they were really delighted with their meals from start to finish! Every detail was just perfect and we really were over the moon with the day and just had so much fun. The staff who we encountered over the two days of the wedding were so friendly, accommodating and on the ball...I tipped my chair over at one stage and one of the staff had it upright before I could even reach down for it. The bar and function room staff were attentive to every detail and the food was fantastic. Sean was brilliant and ensured that our top table and all of our guests were happy. His gentle and kind nature really puts your mind at ease with so much happening on the day. A special thank you to Geraldine and Tom, Lisa, Sara, Sean, Jacinta and Mark the incredible chef. - Áine & Ken

Just to say thank you so much to Geraldine, Tom Grealy and all the wonderful staff of the Abbey Hotel. They certainly gave us an amazing wedding experience and couldn't have been more professional and tailored in the handling of our event. Everyone has come away from the experience talking about how wonderful the hotel is.

- James & Elaine

We got married on Friday the 2nd of March 2018 and our reception was in The Abbey Hotel, Roscommon. As Storm Emma descended upon the country and brought Ireland to a standstill, who knew what lay ahead for us on our wedding day. As anxiety and worry set in and the rollercoaster of emotions began, a comforting phone call from our wedding co-ordinator finally brought the tears to a front. Tears of relief on this occasion as The Abbey Hotel understood what we must be going through. The Grealy family offered compassion, reassurance, help and assistance in order to make things as easy as possible for us and the situation we were in. Let's not forget that a red weather warning was in place and people were advised to stay indoors and not to leave their homes due to the snow. This however did not stop The Abbey Hotel and their staff showing up to work to prepare and present what can only be described as the first class service we received on our wedding day. The food on the day was superb and more than lived up to the reputation we had heard so often about. We are still receiving compliments to that regard. From the minute we walked through the door to organise our wedding, to the moment we left, the hospitality and professionalism of the Grealy family and their staff shone through. For this we will be forever grateful and we will never forget all you did for us. Your hotel will come highly recommended by us. Thanks again from the bottom of our hearts.
